SPRING-FLOWERING BULBS

Fall of 1940

ABOUT TULIPS

Due to an unforeseen demand for Tulip bulbs brought on by the situation in Holland, we are listing our OREGON bulbs only at retail prices, with the idea in mind that the few acres we did grow this past year, will be spread out over many more of our customer-friends.

An important thing to remember is that these bulbs will be PREPAID TO YOUR DOOR—and there will be no additional charge unless you have us ship C. O. D., in which case the customer assumes the small C. O. D. fee.

Orders received after November 10th will be returned, as we have usually finished Fall plantings by that date.

Order Today So You May Plant at Your Leisure.

This is the central warehouse where all your orders are handled so carefully. Experienced men, employed the year around, are always willing to give your order their personal attention.

The growing fields are located 18 miles east from this building, but as soon as the bulbs are lifted they are trucked immediately into the building where they can be kept at just the right temperature. As soon as they are cleaned and graded we make our shipments to our ever increasing number of more-than-satisfied CUSTOMER-FRIENDS.

If you need instructions on caring for your Tulips, feel free to write us; we will send the necessary information by return mail.

—GUARANTEE—

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock when received, return it and your money will be refunded.
